## 2017-2018 Youth Competitive Fencing Policy

In order to grow a strong and successful Team FAB, we require fencers in our Youth Competitive Program to attend 3x per week during the school year. Enrollment in this program includes one 20-minute private lesson per week, scheduled outside of class time, available by appointment. Fencers in the Youth Competitive Program must get/have their own equipment and go to competitions in their age group to qualify for larger national competitions.

**Sharing the commitment and focusing on common goals of competing and training to compete are essential to support the individuals who choose this path. Every fencer in the program should work toward these goals and support their teammates in theirs.**

### **Competitive Pledge:**

Signatures below indicate that the policy above is understood and agreed upon as required entrance to the Fencing Academy of Boston Youth Competitive Program.

Fencer's Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Parent's or Legal  
Guardian's Signature: \_\_\_\_\_ Date: \_\_\_\_\_
